

RAISE THE FLAG

**Could it be
Sepsis?**

Sleepiness.

Extreme shivering.

Passing no urine(mimi).

Severe breathlessness.

“I feel like I’m going to die.”

Skin blotchy.

If you’ve noticed these symptoms – it could be a serious infection.

Call 111, tell them what’s happening and ask “Could it be Sepsis?”

RAISE THE FLAG

***Could it be
Sepsis?***

Any child under 5 who:

- Is not feeding
- Is vomiting repeatedly
- Hasn't peed or had a wet nappy for 12 hours

Any child over 5 who:

- Is breathing fast
- Has had a 'fit' or convulsion
- Looks mottled, bluish or pale
- Has a rash that doesn't fade when you press it
- Lethargic or difficult to wake
- Abnormally cold to touch

If you've noticed these symptoms – it could be a serious infection.

Call 111, tell them what's happening and ask "Could it be Sepsis?"

RAISE THE FLAG

**Could it be
Sepsis?**

**Hiamoe
te tangata**

**Ānō nei
ka mate te
tangata**

He pūwhero, He kōtingotingo te kiri

**He korekore
te mimi**

He kūnāwiri te tinana

Hē manawa te uma

If you've noticed these symptoms – it could be a serious infection.
